A Day at Adventure Camp

Name: _____

Class: _____

Date: _____

Read the text carefully.

Last Friday, Class 6b went to an adventure camp in the Black Forest. The students were very excited because they had never visited the camp before. They met at school at 7:30 a.m., and a big yellow bus took them to the camp. The journey took about two hours.

When they arrived, two camp leaders welcomed them and showed them around. There was a large lake, a climbing wall, a football field, and a small forest near the camp. The students couldn't wait to explore everything.

The first activity was climbing. At first, many students were nervous because the wall looked very high. However, the instructors helped everyone and explained the safety rules carefully. Soon, even the shy students were climbing higher and smiling proudly.

After climbing, the class had lunch outside. They ate sandwiches, fruit, and biscuits. Some students also bought ice cream from a small café near the lake. While everyone was eating, a friendly duck suddenly stole a sandwich from one of the boys. Everyone laughed, including the teachers.

In the afternoon, the students went on a treasure hunt in the forest. They worked in small teams and had to solve puzzles to find the hidden treasure. Some puzzles were easy, but others were quite difficult. One team got lost for a few minutes because they followed the wrong path, but a camp leader quickly helped them.

Before they went home, the students sat around a campfire. They sang songs, told funny stories, and roasted marshmallows. Their teacher asked everyone what they had enjoyed the most. Some students loved the climbing wall, while others said the treasure hunt was their favourite activity.

When the bus arrived back at school in the evening, everyone was tired but happy. It had been one of the best school trips of the year, and many students hoped they could visit the adventure camp again next summer.
