Class 7 – Vocabulary Worksheet 2

Unknown Words in Context

Instructions: Read the text carefully. **Write down all the words you do not know** in the box below. Then try to understand their meaning from the context before using a dictionary.

A Strange Discovery

Last Saturday, Mia and her brother went for a walk near their grandmother's village. They followed a **winding** path through the forest and soon reached a **remote** area they had never visited before.

Suddenly, Mia noticed a small wooden door hidden behind some **overgrown** bushes. She was **intrigued** and carefully moved the branches aside. Her brother was **reluctant** to open the door because the place looked **abandoned**.

Inside, they discovered a dusty room filled with old maps, photographs and **fragile** glass bottles. On a wooden table, they found a **peculiar** notebook. Its pages were covered with strange drawings and **faded** handwriting.

The children were **astonished** by their discovery. They decided not to take anything. Instead, they closed the door and hurried back to the village to tell their grandmother about the mysterious room.
