

Task 1: Opinion Essay – Technology in Daily Life

Write **140–180 words**.

Topic:

👉 *“Is technology making our lives better or worse?”*

Include:

- Advantages of technology
- Disadvantages of technology
- Examples from daily life
- Your clear opinion
- One suggestion for better use of technology

Start like this:

👉 *Technology plays a very important role in our lives today. In my opinion...*

Task 2: Story Writing (Past Tense Focus)

Write **140–180 words**.

Start:

👉 *Last weekend, something unexpected happened while I was at home...*

Include:

- What happened at the beginning
- A problem or surprise
- What you did
- How the situation ended
- How you felt

Grammar focus:

- ✓ simple past
- ✓ past continuous
- ✓ sequencing words (first, suddenly, then, finally)

Task 3: Formal Letter (School Context)

Write **140–180 words**.

Situation:

You want to improve something in your school.

👉 Write a letter to your **principal** about one of these:

- better school facilities
- more sports activities
- less homework
- better cafeteria food

Include:

- Introduction of yourself
- Problem explanation
- Suggestions for improvement
- Polite closing

Start like this:

👉 *Dear Principal,*

I am a student of Class 8 and I would like to share some suggestions...
