

Reading Comprehension – Visiting London (Class 6)

Passage:

Riya visited London last summer with her parents. It was her first trip to the United Kingdom. She was very excited to see the famous places she had read about in her books.

On the first day, they went to see Big Ben and the Houses of Parliament. Riya was surprised by how tall Big Ben was. Then they walked along the River Thames and took many photos.

The next day, they visited the Tower of London. Riya learned about the history of the kings and queens of England. She also saw the Crown Jewels, which were very shiny and beautiful.

On the third day, they went on the London Eye. From the top, Riya could see the whole city. She said it was the best part of her trip.
